

SHADE TOLERANT PLANTS

These plants tolerate shady positions in the garden, generally growing better in dappled shade than heavy shade. Often the form of shade-grown plants is more open, and in general plants do not flower as prolifically in shade (except for correas which seem to thrive in quite heavy shade).

Acacia acinacea

**Acacia baileyana*

Acacia boormanii

Acacia brachybotrya

Acacia calamifolia

Acacia cardiophylla

Acacia continua

Acacia dealbata

Acacia decurrens

Acacia drummondii

Acacia fimbriata

Acacia floribunda

Acacia glaucoptera

Acacia gracilifolia

Acacia howittii

Acacia imbricata

**Acacia iteaphylla*

Acacia ligulata

Acacia longifolia var *sophorae*

Acacia mearnsii

Acacia melanoxydon

Acacia menzeli

Acacia myrtifolia

Acacia paradoxa

Acacia retinodes

Acacia pycnantha

Acacia rheticocarpa

Acacia rigens

Acacia rupicola

Acacia salicina

Acacia spectabilis

Acacia spinescens

Acacia triquetra

Acacia verniciflua

Acacia verticillata

Acacia victoriae

Acmena smithii

Actinodium cunninghamii

Agonis flexuosa

Allocasuarina luehmannii

Allocasuarina muelleriana

Allocasuarina torulosa

Anigozanthos flavidus

Arthropodium strictum

Astartea fascicularis

Austromyrtus dulcis

Backhousia citriodora

Baeckea behrii

Baeckea virgata

Banksia caleyi

Banksia ericifolia

Banksia 'Giant Candles'

Banksia integrifolia

Banksia marginata

Banksia occidentalis

Banksia ornata

Banksia praemorsa

Banksia prionotes

Banksia robur

Banksia spinulosa var. *collina*

Bauera rubioides

Bauera sessiflora

Beaufortia sparsa

Billardiera species

Boronia species

Brachyscome (most species and forms)

Brachysema celsianum

Brachysema sericeum

Bulbine bulbosa

Burchardia umbellata

Bursaria spinosa

Callistemon brachyandrus

Callistemon 'Burgundy'

Callistemon 'Candy Pink'

Callistemon citrinus

Callistemon citrinus 'White Anzac'

Callistemon 'Dawson River Weeper'

Callistemon 'Hannah Ray'

Callistemon 'Harkness'

Callistemon 'Kings Park Special'

Callistemon pallidus

Callistemon phoenicius

Callistemon pinifolius

Callistemon 'Reeves Pink'

Callistemon rugulosus

Callistemon sieberi

Callistemon viminalis 'Captain Cook'

Callistemon 'Violaceus'

Callistemon 'Western Glory'

Callitris gracilis

Callitris oblonga
Callitris verrucosa
Calothamnus quadrifidus
Calytrix alpestris
Calytrix tetragona
Ceratopetalum gummiferum
Chamelaucium floriferum
Cheiranthra alternifolia
